## STANDARD TEAR DROP BANNER SET INCLUDES:

- FIBREGLASS POLE**

- GROUND SPIKE**

- PRINTED FLAG**

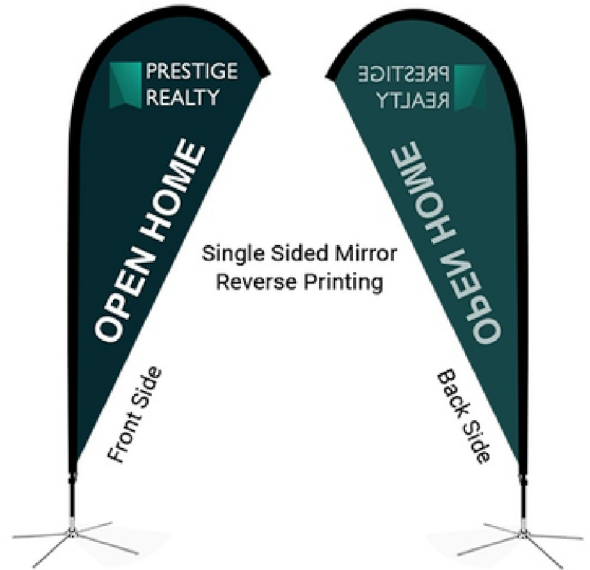

- CARRY BAG**

## SINGLE SIDED FLAG:

The artwork is printed on one side of the flag so you see the correct image and colour on that side. The other side of the flag will display the mirror image of the artwork and the colour will have less vibrancy (as the printed image has bled through from the other side of the flag).

## DOUBLE SIDED FLAG:

The artwork is printed on two pieces of 140gsm Block Out Polyester material that are sewn together (back to back) to get a high quality satin printed finish that can be read correctly from both sides.
