# About Klang Special School

## Selangor Association for Mentally Handicapped (SAMH) Objectives

Our objectives are to initiate programs in order to improve the quality of life of children and adults with learning disabilities. We hope that they will achieve the following :-

- To become useful citizens
- To be independent
- To be able to hold a Job
- To be aware of Health and Safety rules
- To be able to contribute to society
- To have good moral values
- To be creative, enterprising, skilled in information and communication technology

## Introduction

Funding for orphaned and care home young people as well as students with disabilities and handicap's in Malaysia is generally quite low. Sadly some of the orphaned students living in care homes are no longer able to attend Klang School as their care homes cannot afford the fees. Currently Klang School have around 30 orphan and disability young people aged from 3 years – 25 years unable to attend for that very reason.

## Programs Offered

### ***Early Intervention Program***

This program sees some of the youngest students with handicaps and disabilities being able to engage in meaningful educational programs. The target Group - 6 years and below

- School hours - 3 times a week for 2 hours.
- 1 hour individual learning and 1 hour group activities.
- The role of the parent / guardian is to follow up the program at home

### ***School Program***

The school program consists of education, arts & crafts, gardening, swimming and cooking. The target Group - 7 to 17 years

The students are put into 4 Levels :

Level 1 - ( 7-9 years )

# How you can help

For a student to be able to attend Klang Schools educational programs it costs 4,800RM (Malaysian Ringgits) per annum, which equates to approximately \$1,600. This gets the students 1 year's education, all their meals throughout the day and uniform. You can make a difference to their lives through any of the following:

- *Business/ corporate sponsorship* – Make this an annual donation from your company or business
- *Individual sponsorship* – make yourself feel good knowing you are helping
- *Family sponsorship* – Allow your family to experience helping others by making an amazing family gesture
- *Club or group sponsorship*- get the team together and chip in for one or more students
